

"The Pride of Salem"

Salem High School Marching Band

August 28, 2015

Dear 5th-8th Grade Band Students and Parents,

The SHS Marching Band would like to invite you to participate in a "Future SHS Band Night." This event will be held at the home football game versus Canton South on September 18, 2015. We invite all 5th-8th grade students in band to join the marching band on this evening. Students will meet at the High School band room at 5:30pm and march down to the stadium with the band. Then students will join the marching band in the band shell, and get a front row seat on the track to the pre-game and half-time shows. Students will also receive a free food and drink item from the concession stand. At the end of the evening, you will again join us to march back to the High School. Students in band will be admitted for free to the game. We would love to have all up-and-coming band members participate in this event. If you would like to participate, **please complete the following permission slip and return it to either Mrs. McFarland and or Mrs. Piatt by Friday, September 11th**. Thank you; and we look forward to seeing you at the event!

Sincerely,

Hannah McFarland
