

# SCHOOL INSTRUMENTS

The school has a limited number of instruments available for students who *qualify financially for free or reduced lunch*. These instruments are repaired yearly but have been used over the years and show signs of wear. If you are able to secure your own instrument through renting, purchasing, or borrowing from a family member, those options prove to be the best for beginning students. If you need to use one of the school's instruments, please come and talk to Mrs. Piatt or Ms. McFarland as soon as your student has made a final decision on an instrument – these instruments are “first come, first serve.” The instruments the school currently has available are:

- 5 flutes
- 3 clarinets
- 4 alto saxophones
- 5 trumpets
- 5 trombones
- 5 baritones
- 2 percussion kits

If you have any questions about this program, please speak with one of the directors. We are very excited to have your student join the Southeast band program!
